Dear Richard

CATAL S357B OBJECTION

It was good to talk with you on 5 December 2007 about your willingness to act as a Commissioner to hear and decide the Catal s357B objection to part of the costs invoiced for the Private Plan Change 06/01 for the old Honda site at Whakatu/Annesbrook.

I have attached as background material for you

1. The faxed letter of 2 November from Haines Planning lodging the objection on behalf of Catal.
2. An email from Haines of 29 November 2007 agreeing to a hearing early in 2008.
3. A copy of the Hearing Committee's hearing report and recommendations on the plan change.
4. A copy of the Council's Fees and Charges Policy.

When you have reviewed the material I would welcome hearing from you so I can arrange a formal appointment and work order.

Yours faithfully

Richard Johnson
