

REDUCE

Buy fewer clothes, plus buy clothes that are well made and good quality. Ask yourself, "Will I wear this item 30 times?" #30wears

CARE & REPAIR

Sewing a button, a seam or hemming trousers can give clothing a new lease of life.

REUSE & REFASHION

If something you love can't be repaired, why not turn it into something new? Upcycling brings new life to something you already own.

RECYCLE

If your clothing is good quality and looking for a new home take it to any of the charity shops on the map overleaf and consider good giving.

Good giving tips

Are you having a wardrobe clear out? If so, please consider donating pre-loved items to your favourite charity.

Before passing on clothing, ask yourself, would I buy this if I saw it in a charity shop? If the answer is no, then it probably shouldn't be donated.

Good tips for giving are to make sure:

- ✓ Your items are clean, smell fresh, have no holes, are not pilled or faded.
- ✓ You drop off items during open hours.
- ✓ If you have more than a car-load, call the shop to arrange a time to drop off.

Goods which can't be reused should be taken to the Nelson City Council Waste Recovery Centre, 6-8 Vivian Place. Phone 03 545 9176
